

WE8  
Speciality coffees for the workplace

## WE8 Specifications

### Specific advantages

Pulse Extraction Process (P.E.P.®)	■
Intelligent Water System (I.W.S.®)	■
Compatible with JURA Connect App	■
Compatible with JURA Coffee App Professional	■
Latte macchiato at the touch of a button	1
Cappuccino at the touch of a button	1
Flat white at the touch of a button	1
No. of individually programmable specialities	12
Multi-level Aroma <sup>63</sup> grinder	■
Hot water system (3 temperature levels)	0.24 l / Min.
Powder recognition for additional ground coffee variety	■
Remaining time display	■
Connector System®	■
Automatic milk rinse	■

### JURA Standards

Variable brewing chamber, from 5 g to 16 g	■
Intelligent Pre-Brew Aroma System (I.P.B.A.S.®)	■
Intelligent preheating	■
High-performance pump, 15 bar	1
Thermoblock heating system	1
Fluid system	1
Monitored drip tray	■
Integrated rinsing, cleaning and descaling programme	■
Adjustable water hardness	■
One or two cups of espresso in one brewing operation	■
JURA hygiene: TÜV-certified	■
CLARIS filter cartridge	CLARIS Pro Smart / CLARIS Smart
Zero-Energy Switch or power switch	■

### Settings and programming options

Programmable and individually adjustable amount of water	■
Programmable and individually adjustable coffee strength	8 levels
Programmable brewing temperature	2 levels
Programmable amount of milk	■
Hot water temperature can be programmed	3 levels
Programmable amount of hot water	■
Resettable day counter	■
Programmable switch-off time	■

Shows the number of preparations for each individual product	■
Integrated milk system rinsing and cleaning programme	■

### Design and materials

TFT colour display	■
Amber cup illumination	■
Sound design	■

### In figures

Height-adjustable coffee spout	65 – 111 mm
Height-adjustable cappuccino spout	107 – 153 mm
Height-adjustable hot water spout	107 – 153 mm
Water tank capacity	3 l
Coffee grounds container (servings)	25
Bean container with aroma preservation cover	500 g
Cable length	approx. 1.1 m
Voltage	230 V ~
Current	10 A
Power	1450 W
Stand-by power	0 W
Weight	10 kg
Dimensions (W × H × D)	29.5 × 41.9 × 44.4 cm
Colour	Dark Inox

WE8

## For lovers of speciality coffee

### Benefits

- Pulse Extraction Process (P.E.P.®) optimises extraction time to guarantee professional quality, barista-style coffee
- The Intelligent Water System (I.W.S.®) automatically detects the filter while the CLARIS Smart and CLARIS Pro Smart ensure perfect water quality
- Buttons on the front of the machine and a modern TFT display make operation incredibly simple even for inexperienced users
- Cappuccino spout, height-adjustable on a continuous scale for cappuccino, latte macchiato and flat white topped with fine foam at the touch of a button

### Accessories

- Cup warmer with accessory drawer WE
- Cool Control basic
- Cool Control Wireless
- Milk Cooler Piccolo
- Smart Compact Payment Box
- Coffee to Go equipment

Wherever customers, staff and visitors can enjoy superlative coffee, the atmosphere is relaxed, communicative and productive. Anyone who appreciates the finer things in life, a wide choice of speciality coffees and aesthetics will love the WE8. A water tank with a 3 l holding capacity, a bean container for 500 g of coffee beans and a coffee grounds container with a capacity of 25 portions make the elegant professional coffee machine the ideal solution for locations where around 30 speciality coffees are consumed per day. Innovative technologies revolutionise the enjoyment of coffee. The One-Touch function creates trend specialities like latte macchiato, flat white or cappuccino very simply at the touch of a button. Buttons on the front of the machine and a modern TFT display make operation incredibly simple even for inexperienced users. The clean, linear design, accentuated by sections in the elegant Dark Inox, make the WE8 the highlight in any kitchen.

### State-of-the-art technologies for perfect enjoyment

The WE8 offers 12 different specialities. JURA has perfected the complete brewing process for short speciality coffees, allowing the WE line to make them to professional barista standard every time. The six-level Aroma<sup>G3</sup> grinder ensures that the coffee is optimally ground. It always grinds the beans fresh, quickly yet gently to preserve the aroma. The Pulse Extraction Process (P.E.P.®) developed by JURA optimises the extraction time. To make a ristretto or espresso, it forces the hot water through the ground coffee at short intervals. The One-Touch function on the WE8 allows you to make trend specialities finished with milk and milk foam at the touch of a button, without having to move the cup.

### TÜV-certified hygiene guarantee

Cleanliness and hygiene are essential in the workplace, so integrated rinsing and leaning programmes combined with specially developed cleaning products for JURA coffee machines ensure perfect hygiene at the touch of a button. The milk system is also cleaned quickly and easily at the touch of a button. This complete hygiene system, which is certified by TÜV Rheinland, makes the WE line an excellent choice for premises which operate an HACCP\* concept.

### As individual as your requirements

Because requirements vary from one situation to another, the WE8 comes with many options for programming and customisation. The amount of ground coffee and water can be adapted to suit personal preferences and the cups and glasses used. It is also possible to give preference to certain speciality coffees by disabling others. Various modes are available on request that only allow presettings and cup volumes to be changed after entering a certain key combination.

\* Hazard Analysis and Critical Control Points

### Preparation times

 2 × ristretto 30 sec.	 2 × espresso 45 sec.	 2 × coffee 1 min.	 Hot water (200 ml) 45 sec.
 1 cappuccino 56 sec.	 1 flat white 58 sec.	 1 latte macchiato 1 min. 26 sec.
